Check Out the Common Trips Offered During Most Seasons

Each trip isn't offered every season or always during the month listed here. When you join the club, you'll get access to the Members Only **Event Calendar** with more details about put-in locations, times, camping, and other important trip information.

Go to the **Become a Member** page on our website to apply and pay for your annual membership. Be sure to check that you agree to the terms and conditions of our insurance liability waiver. Every member of your family must sign a waiver or agree to the terms on the website.

Once you are a member, your guests can also join you on our trips. They just need to sign a waiver before their first outing.

Current Membership Prices:

\$15 Individual Membership

\$20 Family Membership

MadCityPaddlers.org

Mad City Paddlers, based in Madison, Wisconsin, is a club devoted to pursuing paddle sports of every sort.

Weekend Paddles

Our typical paddling season consists of over 50 destinations for weekend trips, ranging from sea kayaking in the Apostle Islands, to whitewater paddling on the Bois Brule, to quiet water trips on rivers such as the Wisconsin, Mekan, and Sugar.

Evening Summer Paddles

Our club runs over 20 evening paddling trips open to most skill levels. We rotate the location of these evening trips between Cherokee Marsh, Starkweather Creek, Lake Mendota, Lake Wingra, Six Mile Creek, Token Creek, Maunasha River, and various other locations close to Madison.

Monthly Meetings

The club meets monthly, usually on the first Thursday of the month at 6:30 pm. After a potluck dinner, we usually have a program consisting of a presentation on some topic related to paddling. During the winter months, meetings are held at Monona Community Center. In the warmer months we meet outside at Mendota County Park. Check out our **Events** page if you want to attend a meeting before joining.

Keeping Our Waterways Clear

Many of our members volunteer to help keep our waterways clean and clear for paddling. For example, a group of our members helps keep Token Creek navigable for all paddlers.
